HMSHost Unveils New Harvest Market at Belfast City Airport *Traditional flavors meet modern preparation serving people on the go*

Bethesda, MD – HMSHost Corporation, a world leader in airport dining and shopping, today announced the opening of **Harvest Market** in the departures lounge at George Best Belfast City Airport (BHD) in Northern Ireland. At Harvest Market, great adventures in travel meet great adventures in eating.

Inspired by the city of Belfast's popular local market, Harvest Market at BHD is a custom-designed restaurant featuring a menu of the finest and freshest locally sourced produce—from traditional home-cooked meals to sizzling stir fry dishes. Ireland's own Fish & Chips and Beef & Guinness stew will greet travelers looking for local flavour. Deli sandwiches and baguettes—perfect to grab and go—oven baked pizza and even Asian stir fry are all on display so travelers can view the variety of fresh options. Biscuits from celebrated local food ambassador, Jenny Bristow of *Take the Biscuit*, are sure to be a favourite while the very finest blends of teas and coffees by Ireland's S.D. Bell compliment all of Harvest Market's offerings.

Katy Best, Business Development Director at the airport said, "The new enhanced Harvest Market is a welcoming addition to the new departures lounge at George Best Belfast City Airport. We are confident that the extensive new food range and the new unique atmosphere, dedicated to a Northern Ireland ambience, will be more than appealing to the 11,000 passengers per day that we welcome at the airport."

The new Harvest Market joins two recent additions to the airport's restaurant and bar roster, **Bushmills Bar** and **Espression by Lavazza**. Both combine exciting dining experiences with authentic Irish décor elements that create the very unique sense of place at this airport.

Bushmills Bar is a one-of-a-kind lounge, designed to create the feel and ambience of a fashionable bar with international flavour, welcoming both the business and leisure traveler. Malt and blended whiskeys are offered, as well as international wines, beers and bar food favourites such as Shepherd's Pie and even the classic hamburger.

Known worldwide, Espression by Lavazza is an innovative coffee shop that brings together Lavazza's passion for coffee and creativity with delicious pastries and sandwiches.

"When George Best Belfast City Airport awarded HMSHost the opportunity to develop their entire airside food and beverage offer, we responded with brands which matched their ambitions for this important and growing airport," said Dawn Wilding, Managing Director for HMSHost Europe.

"We have invested £6 million into enhancing our terminal and our passengers can now expect to see a remarkable difference when departing from the airport. This significant investment will enhance the customer experience as we aim to stay ahead of the curve in accommodating increasing passenger numbers," added Ms. Best.

Note to Editors:

About George Best Belfast City Airport

George Best Belfast City Airport served a total of 2.6 million passengers in 2009 as the airport of choice in Northern Ireland. The airport recently celebrated the busiest day in its history, welcoming 11,900 passengers on April 30, 2010. Having launched a £6m terminal reconfiguration plan, the airport is demonstrating its commitment to enhance the customer experience with a new first floor departures lounge and a new security area that includes a fast track facility.
